Our Story

Midwest Roots

We created Tevra Brands to make it easier for you to care for your pets, who are important members of your family and home. Tevra Brands is a company founded by a group of everyday pet parents from the Midwest. Our founders have spent most of their careers developing, manufacturing, and marketing pet health care solutions.

Vetality, a pet specialty exclusive brand, offers vet-quality protection from fleas & ticks for dogs and cats. Firstect Plus contains the same active ingredients as the leading vet brand, FRONTLINE® Plus so it is just as effective — but it costs less. This fast acting formula is waterproof, keeping your pet protected even after a bath. Firstect Plus stops flea reinfestation by breaking the flea life cycle.

vetality[®] **HARMONY** pet[™]

at home & on-the-go

What is P.E.T. Pheromone?

Helping to calm pets with stress related behaviors quickly and over time. P.E.T. Pheromone mimics the maternal pheromone of the mama dog helping to calm puppies and is recognized throughout their life. P.E.T. Pheromone is the only pheromone that does not require electricity to diffuse. It is received into the nasal cavity reaching the olfactory receptors.

Harmony Pet helped reduce accelerated heart rate by 30%, bringing the heart rate to near normal level.

30134

30135

30136

30137

*Independent study shows P.E.T. Calming pheromone is 2.5X more effective at reducing heart rate in stressful situations when compared to leading brand.
