Revolutionary Ear Care System

Experience the combined power of Vetality **Medicated+ Relief** and **Cleanse+Restore Ear Drops** for complete ear care. Our advanced formula penetrates ear wax quickly, attaches to the ear canal walls, and provides lasting protection.

30145

1 Vetality Medicated+Relief Ear Drops Nano-Technology + Hydrocortisone

Advanced medicated formula for healing relief from recurring painful ear inflammation and discomfort caused by persistent bacteria and fungi.

- Unlike enzymatic solutions, our advanced nano technology allows the medicine to penetrate the layers of bacteria, ear wax and reduces the inflammation
- Sustained Action: Attaches to the ear canal
- Gentle and Effective: Non staining formula, soothes itchy ears
- The soft flexible tube gently deep into the ear canal

2 Vetality Cleanse+Restore Ear Drops Nano-Technology

An advanced cleansing formula that relieves dry, itchy ears while helping prevent ear inflammation.

- Continued Care- Cleans the ear canal post infection to stop re-inflammation
- Unlike enzymatic solutions nano technology allows medicine to penetrate the cerumen (ear wax)

My dog has suffered from chronic ear infections, and this is the only product that has broken the cycle. I love the comfort tube that helps get the medication deep into the ear without being sprayed out by Benny's shaking head movements.
